	Yes	No
Effective Delivery Style		
Guided learning		
Answered questions		
Listened actively		
Encouraged Application		
Managed Room Effectively		
Organized and planned time well		

Reflection

How did the facilitator engage learners?

How did the facilitator show their expertise in subject matter (responding appropriately, answering questions, guiding learning)?

How did the facilitator exhibit professionalism and act as an example of the organization's brand?

How can you tell the facilitator was prepared?

<i>What Worked</i>	<i>What didn't work</i>	<i>What will I use?</i>
