THE FASTEST WAY TO MONETIZE THE PGI

Join the league of consultants leveraging the power of company-wide performance data. The Performance Gap Indicator™ (PGI) is the only company-wide assessment available on the Assessments 24x7 Platform.

PGI Certification gives you the tools and training you need to deliver unprecedented data and value for your clients.

- Quantify Performance Gaps by analytics not by assumption.
- Leverage PGI results to deliver custom-tailored solutions and close Gaps with laser-precision.
- Assure ROI by data using the follow up PGI Pulse assessment.
