DASHBOARD FEATURES

Our online dashboard is a one-stop solution for all your assessment needs.

YOUR logo & contact info:

Every online questionnaire and report is branded with your logo. Even the reports' page footers have your business name, website and phone number.

Trainer & facilitator materials for each assessment:

Report Debrief Guides, Workshop Guides, Slide Decks, Participant Exercises, Sales & Marketing PDFs, Videos, a 52-week email series about DISC and more!

Free team reports:

Unlimited access to team reports at no additional cost. See behavioral and motivational correlations among team members.

Purchase and distribute assessments with the click of a button.

Monitor and track user progress and assessment completion.

Control how and when your assessment users receive their reports.

Immediately retrieve the most up to date data and reports from your dashboard's library.
