- ✓ **Your white-label assessment dashboard and its numerous resources are 100% FREE!**
- ✓ **Your pricing per assessment continues to go down with your cumulative purchases over your lifetime!** There are ZERO annual purchase requirements and your pricing levels never reset. When you reach a new pricing level, you're there for the entire catalog - even the assessments you haven't purchased!
- ✓ **Buy bulk and save!** Members can purchase assessments as-needed - even one at a time - and incrementally reach lower pricing levels. Members can also save money, by "skipping" to lower pricing levels with optional bulk purchases. Lock-in the lower price for the entire purchase!
- ✓ **Subscribe and save!** We offer customized subscription plans for organizations that want to establish a fixed assessment budget. Subscription plans provide organizations with the ability to forecast budgets and increase their savings!

CORE ASSESSMENTS

The world's first "ecosystem" of assessments, designed for a whole-person approach to assessment-based training. Each of the Core Assessments measure one of the distinctly different - but equally important - Five Core Styles that define human performance: Behavioral, Motivational, Thinking, Emotional Intelligence, and Learning.

360° ASSESSMENTS

What if your executive and leadership team had a 360° view of themselves? Imagine having the ability to process the collective perceptions of how others see you. Often times, the way we perceive ourselves and the way others perceive us are two very different things. Our 360° assessments empower users to compare their self assessment with their observers' assessment feedback. What makes our 360° assessments unique? Unlimited observers for one flat price!
